162	14	Replace "Yes" with "Yes, with regards to expenses. No, with regards to fees."	In reading my testimony now, I realize that Attorney Savery's question confused me because immediately prior I had testified that I would be responsible only for a portion of expenses, but he then asked me about fees and expenses.

I have read the foregoing transcript of my deposition and except for any corrections or changes noted above, I hereby subscribe to the transcript as an accurate record of the statements made by me.
